"Stand In Line Droid"

Visit "[Stand In Line Droid](#)" on MotoLyrics.com

Stand in line droid, to kill yourself to sut your throat, to bleed yourself dry disguised with the mask that could fool every man woman, child, and yourself, and your parents too your brothers, your sisters, your partners in crime by T.V your programmed to stand in line you see it, believe it, you swallow it whole brainless or brainwashed give away your soul I look in your eyes, I see nothing but hate I look in your eyes, I see you all share the same fate how many times will it take to break your fever and faith in this dying world how many times will you fake out, just to stand in line to meet your miserable faith.
