rush limbaugh, it's brainwash ollie north, he's full of  
crap gordon liddy, he's  
got advice he'll teach you how to pull the trigger n.r.a.  
got fire power do it  
yourself homemade bombs militia men, they're trained  
to kill their victims, got  
no choice chorus: come on, come on, and make the  
news with a gun and a bomb  
they'll hear hear your views the right to shoot your gun  
that's the american way  
buy a flak jacket and a radar scope today holy bible,  
got a hotline tune right  
in, for the word praise the lord and bomb all abortion  
clinics you gotta hate,  
liberal crap they got no right, they're a bunch of  
commies you gotta hate,  
that's the way just cut'em down, right now chorus:
