Merry Merry Christmas Baby

Dodie Stevens

Words and Music by Margo Sylvia and Gilbert J Lopez

-of "Pink Shoe Laces" fame-- recorded 1960-from Rhino CD "The Best Of Cool Yule"

-sung to the tune of "Happy Happy Birthday, Baby" by the Tuneweavers.

Merry, merry Christmas baby, though you're with
someone new
Thought I'd send a card to say
Wish this joyous holiday would find me close to you-ou-
ou

Merry, merry Christmas baby and a Happy New Year to-
o-o

'twas a Christmas Eve we met, a holiday I won't forget
For that's when we fell in love

I still remember the gift you gave so-o-o-o dear
This love I hold within my heart from year to year
though we're apart.

Have a merry, merry Christmas baby and a Happy New
Year to-o-o

I am hoping that you'll find a love as true as mine
To last a lifetime through.
