Turn Around, Turn Around

Don't you know it when I'm near
Turn Around (Turn Around, Turn Around)
Can you feel it when I'm here
Turn Around (Turn Around, Turn Around)

I wish you knew I followed you
Home-work everyday
Longing some to say
How much I love you

Will you ever notice me?
Turn Around
Will you like the face you see?
Turn Around

Oh! I'm maybe your shadow love
Our love'll go by
But someday you will turn around and smile

(Darling will you ever notice me)
(Turn Around, please turn around)
(Gee I hope you like the face you see)
(Turn Around, won't turn around)

Oh! I'm maybe your shadow love
Our love'll go by
But someday you will turn around and smile
