In firmament as in aether, across  
the myriad planes in times  
before and after the formation  
and dissolution (of all)  
Thirst for the tempting waters  
of wisdom's bottomless  
well (driven by chaos in  
ones soul) drive wanderers  
to that secret orbit, thrice  
blessed, thrice profaned  
(horned and hallowed)  
Onwards, unto Heliopolis!

Across kingdoms of shells.  
(Impotent qliphotic residue)  
Eldritch planes and  
mountains of initiation.  
(Aethyr and Abigneus)  
Beyond deserts of dispersion  
unto the hellish core.  
(The triad beyond the abyss)  
Few are chosen to wander the  
coils of the bronzed serpent  
(The eternal dragon)  
To find their balance on  
the razors edge.

The earnest aspirant, the  
moving omphalos, will  
find no rest from the  
path that chose him.  
No respite, but a guide, Let the  
ibis descend, oh Trismegistos!  
Let the ape hail the sun.  
oh Trismegistos!

Lord of secret arts and words.  
self-spawned and hornless.  
impart thine words to the  
weary traveller, crowned  
king of transgression!
