While I'm far away from you my baby
I know it's hard for you my baby
Because it's hard for me my baby yes
In the dark hour is just before dawn

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell the good Lord above
This is dedicated to the one I love

Life Could never be exactly like we want it to be
Can i be satisfied knowing that you love me
One thing I want you to do especially for me
And it's something everybody needs.

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell the good Lord above
This is dedicated to the one I love
(Oh the one i love)
(Love)

While I'm far away from you my baby
I know it's hard for you my baby
Because it's hard for me my baby yes
In the dark hour is just before dawn

Life could never be what we want it to be
Can i be satisfied knowing that you love me
One thing I want you to do especially for me
And it's something everybody needs.

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell the good Lord above
This is dedicated to the one I love
(Oh Say it)
(This is dedicated to the one i love)

This is dedicated to you...
