I'm so sure this love is forever
You can see the way that I feel
There's is not a thing that passes me by
That I dream of having you by my side

Like that moon and the star
May our hearts never part
As times passes by
Forever be mine

You pick me up
When I'm down
Life has no meaning when you're not around
You pick me up
When I'm down
Life has no meaning when you're not around
When you're not around

Special you are, my shining star
You are one of a kind
You understand me

And my every need
You're my friend, lover, they'll be no other

Like that moon and the star
May our hearts never part
As times passes by
Forever be mine

You pick me up
When I'm down
Life has no meaning when you're not around
You pick me up
When I'm down
Life has no meaning when you're not around
When you're not around

Like that moon and the star
May our hearts never part
As times passes by
Forever be mine

Forever be mine
