Pretty fallin' tears shining (Yes)
(What's that girl?)
(Let me tell you differences)
(For real)

If it's raining, it's raining tears from my eyes
Since you've gone all I do is cry
Won't somebody help me?
Somebody help me
Can't you see that my baby has left me?
She left me reeling and rocking, walking the floor
She left a note last night, she won't be back no more

Reeling and rocking
Walking the floor
She left a note last night, she won't be back no more
(Thank you baby), more

If it's raining, it's raining tears from my eyes
Since you've gone all I do is cry
Now, won't somebody help me?
Somebody help me
Can't you see that my baby has left me?
She left me reeling and rocking (Reeling and rocking),
walking the floor (Walking the floor)
She left a note last night (She wrote a note last night),
she won't be back no more (She won't be back no more)

And it feels bad
I didn't really click

Stop it

Feel

Won't somebody help me?
Somebody help me
Can't you see that my baby has left me?
She left me reeling and rocking, walking the floor
She left a note last night (She wrote a note last night),
she won't be back no more (Won't be back no more,
more)

Reeling and rocking
Walking the floor
She left a note last night, (Wrote a note last night, she
won't be back no more), she won't be back no more
(Real)
Reeling and rocking
Walking the floor
She left a note last night, (Wrote a note last night, she
won't be back no more)
