Maybe I fly too much  
Maybe you're high too much  
I don't know, but I know  
That I'm buggin'

Maybe I think too much  
Think maybe you're out of touch  
I don't know, but I know  
That I'm buggin'

On and on and on it goes  
Where it stops nobody knows  
Round and round and round again  
It feels like this will never end

Maybe I bitch too much  
Shut the fzzuck up  
I don't know, but I know  
That I'm bugging

Maybe I smoke too much  
Please put out that butt  
I don't know, but I know  
That I'm bugging

I'm buggin'
