You come on over right through my front door  
Strapped with all your baggage  
What you bringin' that for  
Don't want no disrespect cuz we all know the score  
But you need to put time in  
At the common sense store

Yes yes y all you're brain washed all in your head  
Let's make one thing crystal clear  
We don't want no ism here

How you say you hate me and you're not ashamed  
It's just insecurity that's causing you pain  
Well if you can't get past that we are not the same  
Then realize that ism is a part of the blame

Racism - we don't want it here  
Sexism - we don't need it here  
Fascism - we don't want it here  
Keep that ism out of my ear  
Terrorism - we don't want it here  
Leftism - we don't need it here  
Fakeism - we don't want it here  
We don't want it we don't need it
