Sitting upon the shore  
The waves crash and echo inside my head  
Approaching out in the distance  
A ship of slaves to bury the dead

This island is a prison  
Of futile desperation  
From hunger and calamity  
I slip into dreams

Years became mummified  
A relic of suicide  
Years became mummified  
Waiting for when they wash up in the tide

Under the moon out in the sea  
What could be out there waiting for me  
I \_\_\_\_ the current it pulls me under  
I feel the water filling my lungs

Years became mummified  
A relic of suicide  
Years became mummified  
Waiting for when they wash up in the tide  
When they wash up in the tide  
When they wash up in the tide  
When they wash up in the tide

\_\_\_\_ below pluto  
Floating in limbo  
Are \_\_\_\_ father of \_\_\_\_

The fury in fire  
Igniting(? ) the words  
\_\_\_\_ his sea men in \_\_\_\_

Visions of heavenly celestial beings in love(? )  
Illusion crucified a witness below \_\_\_\_\_

Lost on the \_\_\_\_\_ then waiting \_\_\_\_\_  
Beg for forgiveness from a supreme diety

Years became mummified  
A relic of suicide  
Years became mummified  
Waiting for when they wash up in the tide  
When they wash up in the tide  
When they wash up in the tide  
When they wash up in the tide

I'm lost though hopeful I'll find a way  
I'm lost though hopeful I'll find a way  
I'm lost though hopeful I'll find a way  
I'm lost though hopeful I'll find a way
