Show me your bloodbath oh sweet rapist eyes
As all the _____ of lullabies
Burnt at the stake, _____ souls filled the skies
Sacrificed for all humanities lies

I submit a demon and tuck into bed
I don't recall exactly what was said
It tied my hands and my feet to the bed
I don't recall exactly what was said

You've got the look that make detectives itch
A mouth full of thunder and feverous pitch
A cross between satan and a _____ witch
Your disposition would make hitler flinch

Oh sweet rapist eyes
Look what you've done to me
You've burnt down the temple
Where the children were sleeping
Ashes and smoke rose up to the sky
The memory's blown(?)
As the future dies

Show me some sympathy
In his image God made me ugly

You are so beautiful

You are so beautiful

Don't look at me with those sweet rapist eyes
Perhaps it's the wine or the sunken(?) delight
I'm under your spell, I'm all yours tonight
The phone's off the hook and my tounge is tied

Oh sweet rapist eyes
Look what you've done to me
You've burnt down the temple
Where the children were sleeping
Ashes and smoke rose up to the sky
The memory's blown(?)

As the future dies

Ashes and smoke rose up to the sky
The memory's blown(?)
As the future dies
