Little green men follow us from town to town
Speaking in riddles of digital sound
Hiding in the shadow of a subway train
Trying to get to heaven with a worm in his brain

Where is the hurdy gurdy man going now
Playing such apocalyptic sounds sounds sounds

We are the magical band of fools
You know it ain't easy
You know it ain't easy

A horrific dirge ringing in my ears
It seems we've fool ourselves baby for oh so many
years
Living in the trunk of a hollow tree
Trying to get to heaven with a fatal disease

Where is the hurdy gurdy man going now
Playing such apocalyptic sounds sounds sounds

We are the magical band of fools baby
We are the magical band of fools
You know it ain't easy
You know it ain't easy

Bloodletting
Hypnotists
Repeat after me
Only fools believe they won't get fooled again

Vampires
Organ grinders
In my youth i was bitten by a girl with a rabbit's tooth

Oh what's a fool
Oh what's a fool to do
To do

Oh what's a fool
Oh what's a fool to do
To do

We are the magical band of fools baby
We are the magical band of fools
You know it ain't easy
You know it ain't easy

Bloodletting
Hypnotists
Repeat after me
Only fools believe they won't get fooled again

Vampires
Organ grinders
In my youth i was bitten by a girl with a rabbit's tooth

Bloodletting
Hypnotists
Repeat after me
Only fools believe they won't get fooled again

Vampires
Organ grinders
In my youth i was bitten by a girl with a rabbit's tooth
