Hirudinoids

Emotionless and feeding.

Threatened by anemia

I am helpless and bleeding.

Suspended in air,

Caught in another toothless dream.

When pagans sleep

And atheists slumber,

Evangelists and bishops come to comfort one another.

Silent in prayer,

Caught in another toothless dream.

Possession by twilight haunts me continuously,

Exercised upon my jaw.

Possession by twilight haunts me continuously,

Exercised upon my jaw.

There in the garden

The serpent sings a lullaby,

That summons the undead from the ground,

As vampires and zombies

Begin circling around me,

In the year of our Lord Time Continuum.

Hirudinoids

Emotionless and feeding.

Threatened by anemia,

I am helpless and bleeding.

Suspended in air,

Caught in another toothless dream.

When pagans sleep

And atheists slumber,

Evangelists and bishops come to comfort one another.

Silent in prayer,

Caught in another toothless dream.

Possession by twilight haunts me continuously

Exercised upon my gums.

Possession by twilight haunts me continuously.
