Do you believe it
If you do then it's true
And there's nothing I can say

We could talk for hours
We could roll around
In these words and see
If they feel good
See if they'll save us

Did you get hurt
Did you get hurt
Did you get wise

You're doing a war dance
But how can we fight
When you're busy
Dragging yourself down
And looking all around
For someone to blame?

Did you get hurt
Did you get hurt
Did you get wise
Did you get wise

Now that you're standing
Doesn't mean that you'll fall
Just 'cause you gave everything
Doesn't mean that I, that I took it all

Did you get hurt
Did you get hurt
Did you get wise
Did you get wise

Did you get, did you get
Did you get anything
I said, tell me now
Did you get, did you get
Did you get wise

Do you believe it?
If you do, then it's true
And there's nothing
