You, without saying anything had shown
I without doing anything had thrown it all away
Down the laundry chute, the cute little words and
melodies
Won't save me now, now that it's gone this far

And we've said goodbye
Said goodbye
Said goodbye to grace
Goodbye to grace

I was waiting for a witness and you were just waiting
For the door to open up and set you free from this
mess
You turned your back
Said I don't know anything 'bout love

And you said goodbye
Said goodbye
Said goodbye to grace
Goodbye to grace

Well, well, well we washed ourselves clean of all
feeling
We were feeling good and then both got scared
Of ourselves and each other
You know we bailed out, we don't live here anymore

And we said goodbye
Said goodbye, said goodbye
Said goodbye to grace
Goodbye to grace
Said goodbye to grace

Said it's alright, it's alright
It's alright ah, it's alright

Haven't I seen you?
Haven't I seen you lookin' away?
Now, now, now
