Cold  
But I'm still breathing in  
Ignored  
So what I'm used to it  
I'm pushed aside  
Not realized  
I'm sick of all this shit  
I'm feeling numb I'm on my own  
I'll take another hit

I'd rather be  
I'd rather be  
I'd rather be all alone

Bored  
I'm full of uselessness  
I'm sore  
I'm sick of all your shit

I'd rather be  
I'd rather be  
I'd rather be all alone

I'd rather be  
I'd rather be  
I'd rather be all alone  
Alone  
Alone  
Alone
