When thirsty woke up
He didn't know where he was, he said
I've got to do something
About where i'm going wrong
I'm not very nice
Out the champagne on ice and i'll
Try a little tenderness for a change

Amidst these broken hearts
He's still lonely

Always the same wont you do yourself a favour
Staring in the mirrior at your deviant behaviour
Who are yu

Back to work on Monday
He's bored out of his face
There's got to be a better way
Coz he's bored
And now he's depressed
Red wine in his string vest
He put the pissed in philanthropist
And he's always out of place
So make me a better offer
I just wanna say i love yu
Wont someone be the first thing that i think of

Amidst these broken hearts
He's still lonely

Always the same wont you do yourself a favour
Staring in the mirrior at your deviant behaviour
Who are yu, Who are yu, Who are yu, Hey!
