Paint a pound
Mix the green with red
Hum some notes
Get it out of your head

Draw a line
So you can ignore it
Have a jam
Have it with all the bits

Hit a key
There are plenty there
Ooh, wee, ooh, whoa o-oh
Get out the plasticine
And shape your hair

Here is the apples and the oranges and plums
The dandelions in the sun
The salt and sugar and the raisin and the rum
And still there's room for everyone

Some design
Do the gardening
In the bedroom dance
In the shower sing

Cook a meal
Have an appetite
And don't forget
You can ride a bike

Pull a shape
There are plenty there
Ooh, wee, ooh, whoa o-oh
Step out of line
And off that chair

Here is the apples and the oranges and plums
The dandelions in the sun
The salt and sugar and the raisin and the rum
And still there's room for every-wa-a-a-un

Here is the apples and the oranges and plums
(Here are the oranges and plums)
The dandelions in the sun
(The dandelions in the sun)
The salt and sugar and the raisin and the rum
(And still there's room for everyone)
And still there's room for everyone

Wee, oh-oh-oh-wa-ho, wa-ho-way-oh
Wee, oh-oh-oh-wa-ho
Wee, oh-oh-oh-way-oh

Hit a key
There are plenty there
Ooh, wee, ooh, whoa o-oh
Get out the plasticine
And shape your hair

Mmm...
Here is the apples and the oranges and plums
The dandelions in the sun
The salt and sugar and the raisin and the rum
And still there's room for everyone

Here is the apples and the oranges and plums
(Here are the oranges and plums)
The dandelions in the sun
(The dandelions in the sun)
The salt and sugar and the raisin and the rum
(And still there's room for everyone)
And still there's room for everyone
