I love you, I love you, I love you, I love you I love you, I
love you, I love you...

Green are my eyes, they've seen so much compassion
I couldnt have changed but too much suffering inside
so now I'm said and done

I love you, I love you, I love you, I love you 'cause I have
to

And now I spend most of my time playing computer
games

And wishing I was loving like most of my friends oh I
am so ashamed

I love you, I love you, I love you I love you 'cause I have
to

I love you 'cause I have to

Make everything OK

I love you 'cause I have to

Go away

I love you, I love you, I love you, I love you 'cause I have
to

And now I make too much noise reading, fucking
through rubbish

Contribution is the solution to an endless black hole
and through the malice

I love you, I love you, I love you, I love you 'cause I have
to

Green are my eyes, they've seen so much compassion
I couldnt have changed but too much suffering inside
so now I'm said and done

I love you, I love you, I love you, I love you 'cause I have
to

Woah Ho Ho

I love you 'cause I have to

Make everything OK

I love you 'cause I have to

Go away

Woah Ho Ho

I love you 'cause I have to
Make everything OK
I love you 'cause I have to
Go away

Ohhhhhhhh Way-oh Way-oh

Ohhhhhhhh Way-oh Way-oh

Woah Ho Ho

I love you 'cause I have to
Make everything OK
I love you 'cause I have to
Go away

Woah Ho Ho

I love you 'cause I have to
Make everything OK
I love you 'cause I have to
Go away

Green are my eyes, Green are my eyes, Green are my
eyes
