I know nothing  
Don't know much  
I think my education's  
Gone out to lunch

I can't remember  
I can't think  
what is the difference  
Between iron and zinc

I can listen  
I can speak  
But my conversational skills  
Are gobblesegeek

I know Harold  
In 1066  
Got shot in the eye  
With a long pointy stick

Revolutions and World War II  
Is it true what they say  
That Charles de Gaulle was a hero  
And Churchill's a Nero  
I threw that away

I get up when I like  
Wear anything I like  
Don't keep up with the cool  
I make up my own rules

Don't have to eat my greens  
Or keep my bedroom extra tidy  
'Cause nobody is around to tell me off

Now  
I can lounge about in my house 'cause lounging abow-  
ow-ow-ow-out  
Is gau-au-au-au-ood

I know all  
I need to know

Why talk Swahili  
If it's where i won't go

Latin is clever  
And sexy is French  
Sprechen Sie Deutsches  
Would hardly make sense

Inquisitions and missionaries  
Seem fairly bizarre  
Do I follow commandments from Moses  
Or battles of roses  
I am a Ca-zar

I get up when I like  
Wear anything I like  
Don't keep up with the cool  
I make up my own rules

Don't have to eat my greens  
Or keep my bedroom extra tidy  
'Cause nobody is around to tell me off

Now  
I can lounge about in my house 'cause lounging abow-  
ow-ow-ow-out  
Is gau-au-au-au-ood

Revolutions and World War II  
Is it true what they say  
That Charles de Gaulle was a hero  
And Churchill's a Nero  
I threw that away

I get up when I like  
Wear anything I like  
Don't keep up with the cool  
I make up my own rules

Don't have to eat my greens  
Or keep my bedroom extra tidy  
'Cause nobody is around to tell me off

I get up when I like  
Wear anything I like  
Don't keep up with the cool  
I make up my own rules

Don't have to eat my greens  
Or keep my bedroom extra tidy  
'Cause nobody is around to tell me off

La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la  
La-la, la-la-la-lounge
