O-o-oh, whoa-o-o-o-oh, O-o-oh, whoa-o-o-o-o-whoa  
Were the teachers any good at it  
Were they good at their jobs  
It must be hard, can they handle it  
When we become what they said we'd not

O-o-oh, whoa-o-o-o-oh, O-o-oh, whoa-o-o-o-o-whoa  
Now we work and we pay for it  
Doing any old chore  
It makes money so we stick it through  
And day to day  
The days go by and by and by and by, well

I just don't want to die like a fool  
I'm not  
Lost  
I'm somewhat off the way  
I'm gonna  
Do what I said I'd do at school  
And be the one that says  
'Hey  
This ain't so hard  
And it's kinda cool'

O-o-oh, whoa-o-o-o-oh, O-o-oh, whoa-o-o-o-o-whoa

When we look at the clock we know  
How much longer we have  
It's not the hours and the minutes that go  
It's everything that we said  
And it's gone are you glad

Now we're struggling to pay the bills  
With the money we've got  
And the world seems to frown on us  
And we're learning more than we've ever learnt  
And I like it a lot

I just don't want to die like a fool  
I'm not  
Lost  
I'm somewhat off the way

I'm gonna  
Do what I said I'd do at school  
And be the one that says  
'Hey  
This ain't so hard  
And it's kinda cool'
