Into the world, my heart is set in motion  
Guided by a notion of faith  
Still there are days, I'm drowning in the ocean  
I hit my knees and fold my hands  
Hoping that You'll understand

And in the event You are listening  
You're listening  
And Jesus was sent to forgive me  
Forgive me

Then in His name I'm petitioning  
Petitioning  
In the event, You are listening  
You're listening

I'm closing my eyes  
And counting all the blessings  
Never second-guessing the truth  
Yet there are times

I find myself confessing  
That I need more than just a favor  
I need someone  
I need a Savior

I wouldn't blame You  
If You turned a deaf ear to the world  
And never saved us, nor forgave us  
But You had mercy on us all

And in His name I'm petitioning  
Petitioning  
In the event You are listening  
You're listening

In every event, You are listening  
You're listening  
And Jesus was sent to forgive me  
Forgive me

And in His name I'm petitioning

Petitioning  
In the event, You are listening  
You're listening, You're listening
