I know I'm here with you tonight
Could I be holding you too tight?
Just say the word and I'll let go
We want the best for you, you know
32 stories in the sky
We saw a brilliant sunrise
It kinda hit us by surprise
And shined it's beauty in your eyes
I will hold you can't you see
All the things you mean to me
Like the flowers and the trees
Can we smile eternally?
Three weeks ago I spoke to you
Felt there was nothing I could do
I booked a flight to somewhere new
I couldn't get there without you
32 stories in the sky
We saw a brilliant sunrise
It kinda hit us by surprise
And shined it's beauty in your eyes
I will hold you can't you see
All the things you mean to me
Like the flowers and the trees
Can we smile eternally?
I will hold you can't you see
All the things you mean to me
Like the flowers and the trees
I will hold you can't you see
All the things you mean to me
Like the flowers and the trees
Can we smile eternally?
I will hold you can't you see
All the things you mean to me
Like the flowers and the trees
