There is love here, can you feel it?
It's from me, it's for me
And I stole it
If caught, I'll deny it
I'll scream and I'll fight it

Jesus loves me, can you feel it?
I've injured my life- hope he can heal it
If caught, I'll deny it
I'll scream and I'll fight it

There is love here, can you feel it?
It's from me, it's for me
And I stole it
If caught, I'll deny it
I'll scream and I'll fight it

Jesus loves me, can you feel it?
I've injured your life- hope he can heal it
If caught, I'll deny it
I'll scream and I'll fight it
