In an unforgiving way
He took twenty years away
What was he thinking of that day?
Didn't live to see just how you were today

Goodbye, surprise, he stole your pride
There's so much for you up here
Where the air is blue and clear
And the city down below is full of fear

Thought I knew you as a child
But you kept it all inside
And you hid it all so well
Didn't notice you were living in a hell

Goodbye, surprise, he stole your pride
There's so much for you up here
Where the air is blue and clear
And the city down below is full of fear

Take my hand and come inside
The moment's dead but your spirit's alive
Everything I see in you
I need

In an unforgiving way
Didn't live to see just how you were today

Goodbye, surprise, he stole your pride
There's so much for you up here
Where the air is blue and clear
And the city down below is full of fear

Tonight, goodbye, surprise, he stole your pride
