She says I got a tortured soul
I got a soul that she don't know
She says it like it's all so clear
She starts to shake when I am near...

(Chorus)
There comes a point
Across our lives
Where we must see
Or we will die

I've seen it before
In your rainbow, there's a color
I don't remember as a child...

Chorus

She says I got a tortured soul
I got soul that I don't know
She says it like it's all so clear
She starts to break when I am near...

This is the point
Across our lives
Where we must see
Or we will die

I don't really want to die
Can we keep this thing alive?
