Hatred!
Invisible disease.
Your waste of skin hides your fear,
what a sorry excuse of a man.

Racist!
You personify these words: pitiful, callow, alone.
Ignorance plagues your soul.

Decades of freedom have taken their toll on us.
Freedom of speech, freedom of will, free to hate.

You give in to pressure from others who own you,
Stop taking their racist advice.
Decide for yourself the truths about life be a man.

Bigot!
You choose to hate people.
I have no respect for you.

Rise above!
Admit that you are wrong.
Don't let your friends run your life.
Become who you want to be.

Decades of freedom have taken their toll on us.
Freedom of speech, freedom of will, free to hate.

You give in to pressure from others who own you,
Stop taking their racist advice.
Decide for yourself the truths about life be a man.

Be a man!

Racist!

Think for yourself.
What puts you above the ones you hate?
