

Dogwood **"Suffer"**

Visit "[Suffer](#)" on MotoLyrics.com

Independent, I leave you now
To drown in desolation
Oblivious to no one

Perpetual comparison
You realized when I left
That you were done

Suffer 'cause this
Would be your fault
I know it's just another lie

You expect me to succumb
Snuff your insecurities
You bounce from friend to friend
You're nothing but a memory
Of treasure lost

We stumbled side by side
We all tried to ignore
The promises you never kept

You realized when I left
That you were wrong
You're wrong, come on
