It's not easy to be me
With all my philosophies
And my flippant state of mind

I'd much rather take a nap
Than jump aloof and do all that
To worry what the crowd thinks of me tonight

I'm not asking you to love me
I'm just letting out the truth
No holds barred about what I feel
Nothing wrong with what I say

I'm not telling you to hate me
I just want you to relate
Don't forget about the message
Or the reason we're on stage

We once opted for a route
Which included selling out
I won't divulge that here now
So I digress

I'm not asking you to love me
I'm just letting out the truth
No holds barred about what I feel
Nothing wrong with what I say

I'm not telling you to hate me
I just want you to relate
Don't forget about the message
Or the reason we're on stage

The truth about it is that we only do it for the
The truth about it is that we only do it for the
The truth about it is that we only do it for the
The truth about it is that we only do it for the

The truth about it is that we only do it for the
The truth about it is that we only do it for the
The truth about it is that we only do it for the
The truth about it is that we only do it for the Lord
