I Can See A Place
And In The Distant Sun
The Bitter Winds Of Change
Watch Me Flow Alone
The Fields Have Turned To Grey
I Hope That They'll Return
Like The Misty Morning Sun
Through These Passing Years
Shadows They Keep Callin'
Where the Trees Have Fallen
They Say What's Done Is Done
When There's Nothing Left To Lose
Nothing Left To Lose
Leave The Past Behind
And All Those Wasted Years
It's Hard To See The World
Through Those Burning Tears
Leave With No Regret
No Bitterness To Feel
All That You Have Left
Is Waiting In The Fields
Broken We All Are
But Somehow We Survive
Rise Up From Your Loneliness
And Cast Away Your Fears
Shadows They Keep Calling
Through The Misty Morning
They Say What's Done Is Done
When There's Nothing Left To Lose
Nothing Left To Lose
Leave The Past Behind
And All Those Wasted Years
It's Hard To See The World
Through Those Burnin Tears
Leave The Past Behind
And All Those Wasted Years
It's Hard To See The World
Through Those Burning Tears
Leave The Past Behind
And All Those Wasted Years
It's Hard To See The World

Through Those Burning Tears
Leave The Past Behind
And All Those Wasted Years
It's Hard To See The World
Through Those Burning Tears
