Day after day

You always break my heart

I can't take no more

From you

So I'll go far away

Won't see me no more

I'll just realize

You're not the one for me

You don't care for me

But I can't stop caring for you

You don't love me

Tell me what I'm supposed to do

Waited for so long

For you to love me too

I can't take no more

This time I'm through

So I'll go far away

Won't see me no more

I'll just realize

You're not the one

You don't care for me

But I can't stop caring for you

You don't love me

Tell me what I'm supposed to do

You don't care for me

But I can't stop caring for you

You don't love me

Tell me what I'm supposed to do
