I thought I knew it all
Knew it all along
But then I found that one
That one that put me on
Yeah
She told me all these lies
Lied to my face
So in the end I said lets go to my place
She gimmie all that
All that hard sensation
Gives ya sex all night
Yeah
She gimmie all that
All that information
Then she wrecked my life
I thought i knew it all
Knew it all before but
Then i met theses gals
Who told me how to score
She said to me but lifes not a joke
I said honey baby lets go out for a coke
Yeah
She gimmie all that
All that hard sensation
Gives ya sex all night
She gimmie all that
All that information
Then she left my home
I thought i knew it all
Knew it all along

But then i found that one
That one that put me on
Yeah
She told me lies
Lied to my face
So in the end i said lets go to my place
She gimmie all that
All that hard sensation
Gives ya sex all night
Yeah
She gimmie all that

All that information
Then she wrecked my life

Come on back here
Where should we go
Hey come on
You can't do that to me
Hey come on back
Come back
Come back
