Every night is the same old thing
Baby I tried, yeah I tried
Let's put an end to this misery
Baby I cried, yeah I cried

So hot stone cold, but why'd you let me go

You got a heartless heart
Got a heart of stone
You got a heartless heart
And it's just gonna bring you down

You tell me things that I know ain't true
Baby you lied, yeah you lied
I just wanted to be with you
Baby I tried, yeah I tried

So hot stone cold, why'd you let me go

You got a heartless heart
Got a heart of stone
You got a heartless heart
And it's just gonna bring you down, yeah

Heartless heart
Heartless heart
Heartless heart
Heartless heart

You got a heartless heart of stone
It's bringing me down, baby
You had to play the only game you've known
With my heart, with my heart, oh

Every night is the same old thing
Baby I tried, yeah I tried
Let's put an end to this misery
Baby I cried, yeah I cried

So hot stone cold, why'd you let me go

You got a heartless heart

You got a heart of stone
You got a heartless heart
And it's just gonna bring you

You got a heartless heart
Got a heart of stone
You got a heartless heart
And it's just gonna bring you down

Heartless heart
Heartless heart
You got a heartless heart
And it's just gonna bring you
Heartless heart
