I was lost without you  
I was sinking in a storm  
I thought the world had left me  
Now I know that I was wrong  
It's resurrection day  
Gonna leave it all behind  
Gonna clear my mind of you  
Gonna pave my own road

Chorus

I don't mind -what you want  
I don't mind when your  
Hounds begin to beg  
I don't mind when you  
Kick the ones that fall  
I don't mind - I don't mind at all

It's better to be lonely  
Than to live with all your pain  
I was walking through the desert  
I was calling out your name  
But I never got an answer  
Still I loved you just the same  
The sun began to burn me  
Reminded me of all those days

Chorus

I don't mind -what you want  
I don't mind when your  
Hounds begin to beg  
I don't mind when you  
Kick the ones that fall  
I don't mind - I don't mind at all

When you leave me for another  
I won't be calling out your name  
Now that burning sun is setting  
Only one thing left to say

Chorus

I don't mind -what you want  
I don't mind when your  
Hounds begin to beg

I don't mind when you  
Kick the ones that fall  
I don't mind - I don't mind
