Seeing no one  
Touching something  
Fingers reaching out  
Senses burning  
All from learning  
No ones sees  
The colors in my mind

Silent darkness speaks my name -  
Everything changes yet stays the same  
Like darkness into day  
I know what is to come  
Long days without sun

Chorus  
I feel  
I feel

Slowly moving  
Endless motion  
Floating forward now  
Soaring higher  
Drifting nowhere  
I felt that I was somewhere else

Total blindness still remains  
Everyone changes - I stay the same  
The hours slip away  
I'll feel this pain no more  
My future waits outside the door

Chorus  
I feel - I feel (crystallized - piece of time)  
I feel  
The sun is shining over me  
Warming my senses

I make a plea  
I'm guilty of feeling  
So why is it so hard to see

Chorus

I feel - I feel (crystallized - piece of time)  
I feel - I feel  
(blood stained eyes - open wide)  
I feel
