I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

Remember the good times that we had?  
I let them slip away from us when things got bad  
How clearly I first saw you smilin' in the sun  
Wanna feel your warmth upon me, I wanna be the one

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so tired but I can't sleep  
Standin' on the edge of something much too deep  
It's funny how we feel so much but we cannot say a  
word  
We are screaming inside but we can't be heard

But I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so afraid to love you but more afraid to loose  
Clinging to a past that doesn't let me choose  
Once there was a darkness, deep and endless night  
You gave me everything you had, oh, you gave me  
light

And I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

And I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories  
Weep not for the memories
