(Lynch, Dokken, Pilson)

A brief encounter  
Like wind through the trees  
It came so suddenly  
But then it was gone  
Like it had never been  
How could I have ever seen  
A lost heart  
Will take your soul

How could I have known  
How could I have known  
As she took me in her arms  
And brought me to an end  
With the kiss of death  
The kiss of death

She promised paradise  
As she lied upon her bed  
Like a fallen angel  
With the devil's charm  
She promised paradise  
With the kiss of death

I tried to stop  
As she held out her hand  
But the fire was burning inside  
She knew what i wanted  
She gave it and more  
But now I must pay the price

We were strangers  
Passing in the night

How could I have known  
How could I have known  
As she took me in her arms  
And brought me to an end  
With the kiss of death  
The kiss of death

She promised paradise  
As she lied upon her bed  
Like a fallen angel  
With the devil's charm  
She promised paradise  
With the kiss of death

As she took me in her arms  
I felt the devil's charm  
Suddenly I see  
The final destiny  
With the kiss of death  
The kiss of death

She promised paradise  
As she lied upon her bed  
Like a fallen angel  
With the devil's charm  
She promised paradise  
With the kiss of death

With the kiss of death
