(dokken, brown)

Girl, when I think of you, you know it makes me sad  
And I wonder, wonder about what we had

Say we're over baby t  
That we're through  
Can't believe it say that it's not true  
Please believe me when I say I do  
I'm still loving you, loving you  
Loving you

Chorus:

Won't you stay  
Can't you see my love is waiting here  
Darling, stay  
Don't you leave me drowning in my tears

Do ya love me baby let me know

Show your feelings  
'cause I gotta know

Am I wasting my time, am I being a fool  
For loving you, loving you  
Every night your name is on my lips  
I feel your body at my fingertips  
Please beleive me when I say I do  
Am I a fool?

Chorus

Bridge

Won't you touch me and stay for awhile  
I need you so badly  
Darling...  
Won't you stay
