On and on we go again  
there seems no point of view  
over, under, upside down  
I don't know what to do  
there used to be a passion  
don't know when it slipped away  
I look around at everyone  
it happens everyday

I need to get off  
this spinnin' merry go round  
I'm upside down  
No sense in talkin' 'till the morning comes  
I need to feel it once again  
This fire is dyin'  
I cant feel it burnin' inside anymore  
This fire is dyin'  
I cant feel the passion that we had before, anymore

contradiction, trepidation, different points of view  
sitting in a place I said I'd never go with you  
given half a chance I guess I'd throw it all away  
my opinion doesn't matter when there's shades of grey  
I need to know what you're lookin' for  
No sense in talkin' 'till the morning comes  
I need to feel it once again  
This fire is dyin'  
I cant feel it burnin' inside anymore  
This fire is dyin'  
I cant feel the passion that we had before, anymore

(guitar solo)

I need the passion to live my life  
live my dreams the way I like  
give no reasons for what I am  
I try to love you the best I can

This fire is dyin'  
I cant feel it burnin' inside anymore  
This fire is dyin'  
I cant feel the passion that we had before, anymore
