Can you see the soul / through a window in your mind
Can you see the darkness that was left me over time
Bordering on sadness / no tranquility
Look through my mirror and you'll see
[so long] a vision come and gone
[inside] nothing was clear
Saving grace / forgotten road
I was lost / but now I'm home
Saving grace / a ray of hope
When I hear a voice of the soul
Sold my religion / sold my candles too
Knees have been bleeding / praying over you
I search the heavens / all I ever see
Dust from the ashes / misery
[rise up] sleeping with misfortune
[temptation] a mirror of myself
Saving grace / forgotten road
I was lost / but now I'm home

Saving grace / a ray of hope
When I hear a voice of the soul
When the light shines above me
And casts a shadow of myself
Look to skies that surround me
Embrace the one that speaks inside
Delivered unto self
Saving grace a ray of hope
When I hear the voice [of the soul]
[voice of the soul]
Saving grace
[voice of the soul]
When I hear the voice
Hear the voice of the soul
