(dokken, lynch)
Oh yeah
Listen to me

Baby you've changed
You don't see it
I don't understand
When I'm with you girl
Somethings going on
I can't explain this

But baby I've never changed
So it must be you
Baby I've never changed
So it must be you, yeah
Must be you

We're going wrong
We're going wrong

Baby you have changed
And you don't see it
I don't understand
When I'm with you girl
Baby I haven't changed
So it must be you
It must be you
Baby I have changed
So it must be you, yeah
Must be you
But it isn't me

It always happens
It always happens to me (repeat)

Baby I'm gonna leave you
I can't ttake this anymore
'cause

We're going wrong
I can't take this anymore
We're going wrong

I'm gonna leave you baby
We're going wrong
Bye bye baby
We're going wrong
Bye bye
