(Lynch, Dokken)

Staying out all night dancing  
You can't keep them at home, no  
She'll tease and smile  
She'll play for a while  
She's got it under control, yeah

I hope it's me tonight  
She's looking for  
Oh, sweet young girls  
I love them all

Young girls  
Driving me crazy  
Young girls  
I love them all

The doctor says I must slow down  
I gotta leave them alone, yeah  
All I know if I'm gonna die  
What way to go

I hope it's me tonight  
She's looking for  
Oh, sweet young girls  
I love them all

Young girls  
You're driving me crazy

Young girls  
I love them all  
Young girls  
Beautiful ladies  
Young girls  
I want them all

I hope it's me tonight  
She's looking for  
Oh, sweet young girls  
I love them all

Young girls  
You're driving me crazy  
Young girls  
I love them all, yeah  
Young girls  
Beautiful ladies  
Young girls  
I want them all, yeah  
Young girls  
Those beautiful ladies  
Young girls  
I love them all  
Young girls  
Oh yeah  
Young girls  
How old you anyway?

I hope it's me tonight  
She's looking for  
Oh, sweet young girls  
I love them all
