Doktor Knark is back in the town
He's gonna kill Eva down
He was shot and now angry
At boyfriend Stjárn-Jerry

He shout to Eva you are Stjárn-Jerry's wife
And he tried to kill my life
Therefore I will kill you now
I'm gonna tell you how

Ref.
You're gonna bleed
'Cause I have a knife
You're gonna plead
For your dirty life
You're gonna cry
And you're gonna run (a-ha)
You're gonna cry
And you're gonna run (a-ha)
You're gonna cry
And you're gonna run
Juan's gonna shoot you with his lasergun

But Doktor Kosmos he's brave and he say (oooh)
Hey hey hey hey hey hey hey hey (heyheyhey)
Don't touch márdarbruden Eva
Om du vill leva

Doktor Knark he smiles a smile
Then he say I don't like your style
Mr Kosmos I don't like you
I'm gonna kill you to
