Doktor knark is back in the town.
He gonna kill Eva down.
He was shot and now angry
At boyfriend Stjárn Jerry.
He shout to Eva you are Stjárn Jerry's wife.
And he tried to kill my life
Therefor I will kill you now
I'm gonna tell you how

Chorus:

You're gonna bleed cause I have a knife
You're gonna plead for your dirty life
You're gonna cry and you're gonna run
Aha
You're gonna cry and you're gonna run
Aha
You're gonna cry and you're gonna run
So I'm gonna shoot you with this lasergun

But Doktor Kosmos is brave and he say:
(Wohohow)
Hey, hey, hey, hey, hey, hey, hey, hey, hey!
(Hey, hey, hey!)
Don't touch mÃ¡rdar-bruden Eva!
Om du vill leva.
Doktor knark, he smiled a smile
Then he say: I don't like you're style
Mr Kosmos I don't like you
I'm gonna kill you too

Chorus
