Give up! Give in!  
Give up to the light.  
Respect and trust  
Your forces of the mind

A Sun descends  
Into the dark  
And through the past  
It's island castle shines

I'll name you paradise  
So you can call me daylight  
Corona of the sun  
Awaits the birth of myth

### 3. Weaver's Dance

Start the dance!

First the eyes, dark eyes  
That few can see, now  
Seal the gates, it's time  
To start the dance-oh

Then the flames, blue flames  
That few can feel, now  
Seal the gates, it's time  
To start the dance-oh

Wait, here they come now  
Watch as they rise now  
Running out, running out  
Time is running out

How they lived and mainly  
How they died... They are judged  
How they died and  
How they'll live again

Who's the master now?  
Who's the master weaver?

All the stars and all the planets  
Now they bow to  
Their new master  
The Weaver's Dance
