One two, one two  
The Diabolical's back again  
With the Cutmaster Cool V  
At the boards my man Paul Sea  
But this goes out to my man Danny Dan  
The beat man that makes you understand  
He want me to tell somethin bout this girl named Kim  
I'ma do it like this  
[Verse One]  
Well it was one of those days when nothing's right with  
the world  
I was half broke, bored, and fed up with my girl  
Lookin for somethin to do but wonderin how long  
It would take for the next thing to go wrong  
So I decided to hang, go out and ease my mind  
I told myself you would never know what you might find  
I took a hot bubble bath, instead of a shower

I said, "Don't drink and drive -  
GIMME MY CHANGE before I bust ya lip!"  
The club was jumpin and word is bond  
I saw girls walkin around with jeans painted on  
Splittin they skirts up the middle, tight leather and lace  
Both me and Jimmy agree, we're gonna like this place  
Took a seat at the bar, the girl said what are ya drinkin?  
A Coke and a smile child, and slid her a Lincoln  
Took a sip of my four dollars, she looked at me strange  
I said, "Psych I bet you thought you was gonna keep the  
change"  
I made my way through the crowd, it was plain to see  
Same everywhere I go, all eyes on me  
I sat down at the table, and one of the staff  
Said, "Ain't you the Biz" I said, "
