One-two one-two  
This is a groove, y'knahmsayin? We just gon' get down  
My name is um, Biz Mark  
Got my man Cool V in the um, in the um thang  
And I can't forget my man, Everett-is-an-zell{?}  
We gonna give love to  
I'd like to give a very special um, thanks to my man LG  
{?} and, I'd like to uhh, kick it a lil' somethin like this  
Check it out now  
[Verse One]  
Words of wisdom, knowledge of understandin  
To be like me takes practice and plannin  
Come out fresh, like graANNNNNND openin  
Fender bender, loan shark lender  
Kareem changed his name, from Lew Alcindor  
The Bob Barker, the {?} stopper  
The mad harper, the Cyndi Lauper  
To be or not to be a celebrity  
A little, comedy with Eddie Murphy  
Grandmaster Flash, Treacherous Three  
And the King of Rockers, Run-D.M.C.  
To all the girls and boys, like to make noise  
Crazy gents, spendin dollars and cents  
Women and men that borrow and lend  
And all the children that try to pretend  
To be a Prince {?}, or Jackson  
Now my man Michael loves to eat cycle  
Crazy wings off the gravy train  
My great dane Joey, so bowl a household  
With the b-boy product that'll help them grow  
We don't give 'em milk because that give 'em the craps  
We feed 'em um, sausages and liver snaps  
But seriously, I'm in the place to be  
But it ain't a place to be without me me me  
Between herpes and AIDS, I'd rather have VD  
Gonorrhea syphilis is a real bad case  
You get goner in her pants, rhea in her face  
I wouldn't stick mine in her, beehind  
{\*babbling\*} a without vine  
{\*babbling\*} one heck of mine, mine mine mine  
[Outro]  
And we gon' give a little shoutout

This is a little shoutout, right here  
I just wanted to give it
