Aight, this this a special dedication  
To my man DJ Hollywood  
Because he was one of the first ones out there  
And I-I-I'd like I'd like to sing a little song  
A little something like this  
To all the ladies out there, this goes out to you now  
Check it out

[Verse One: Biz singing]

Ooooh, whoa-whoa  
No wayyyyyyyyyy, no wayyyyyyyyyy  
For you to stop me now  
I'm the kind of guy that could really turn you on  
Give you so much lovin, and treat you on  
Just hold me close and hold me tight  
And let's make love tonight  
And I swear to you baby, I'll treat you right  
If you're the kind of girl that I've been lookin for  
Be real good to me baby, let me be adored  
I don't stop the way I'm feelin  
Just keep on turnin me on  
And I swear to you baby, I'll love you all night long  
[Interlude One]

Somebody say well (well) - WELLLLLL! (WELLLLLL!)  
There ain't no way to stop me now, come on  
Let me here you say welll (welll) - oh well (oh well)  
WELLLLLLLL-LLLLLLLL-LLLLLLLL

[Verse Two: Biz singing]

below  
Did you ever whisper GOD I LOVE HER, but how much

Did you ever look into her eyes and see a little prayer  
Could you sew a spot, flow to her heart  
And think that you were there?  
Did you ever wonder where she is, or wonder if shec12
