Ahhhhhhhhhhhhhhhh!

One-two, doin the do

This goes out to my man Truck, my man Jerome

Bilal and the whole Long Island crew

And it goes like this

Hey how ya doin it's me

The incredible unforgettable B

Izzah give me Rrah K-I, with the E

I got mo' rhymes than Muhammad Ali

Hey!The way I get down you will say

"Damn that nigga Biz always makes my day"

My style is untangeable when you hear

Cause the brother on the mic is most debonnaire

On the, DJ tip I'm like savoir-faire

Cause you can probably find me anywhere

I'm the best from West, I'm the beast from the East

I'm the OLLLLLD SCHOOL, like a permanent crease

Like, Scooby Doo or a Chucky doll

You better grab a seat because you're gonna be here
for a while

So for all you new schoolers, relax and chill

As the Diabolical tell you the deal

[Chorus 2X - scratched]

"They know I par-tay to the break of day"

"They know I par-tay to the break of day"

"They know I par-tay to the break of day"

"They know I par-tay to the break of day"

"I got so much on my mind" like my name was Chuck D

That when it comes to DJ'n, I'm a Public Enemy

I rocked all colors, races and ages

When you see the crowd go crazy you will say I'm
outrageous

I rocked Sinbad, Cancun, Essence and the Grammy's
Magic Johnson parties at Superbowl in Miami

First Friday, Philly, Dallas and St. Lou'
My {?, Alex and Kenny Johnson know what I can do
Chicago with {?, Detroit with D. Archer

New York with Gator, Lenny Smith and Lenny the
Barber

I do all the hot joints like Eddie Murphy and will flip it

Still get down and dirty in Newark and Elizabeth

Keenan and {? brothers, Pat in Orlando
Keyshaun Walker and Di-ane, {? yo
I rock weddings from Toni Braxton, to Boyz II Men
Shawn

And this is what they say, word is bond
[Chorus]
[Biz Markie]

Let me tell you how I started in ninety-two

When I was DJ'n from Jersey to Howard U
I did homecomings from U-V-A to James Madison
And did The Tunnel, Reflect, or Kordell and Patterson
Now I graduated with DJ love
From rockin from Virginia and seein the Q Club
People looked at me and said "Why you DJ'n?"
"I loved +Oh Baby You..+ and you're a rock singer"

So the transition from rappin to DJ wasn't smooth
But I still pursued cause I had somethin to prove

July 4th and Labor Day in Virginia was hot
cause Biggie Smalls and Teddy Riley was in the spot
From {? to Jones Street to Philly Greek Picnic
Florida and Bayou Classic and Atlanta Freaknik
All the girls, in G-strings and thongs
If you would, please just sing along
[Chorus]
